Rajasthan Telecom Circle, Jaipur

No. SNEA/Rajasthan/Corr./2020-21/68

Dated 27.04.2021

To,

**Chief General Manager,
Rajasthan Telecom Circle
Jaipur**

Sub: Grant of medical advance against treatment of BSNL employees suffering with Covid-19, immediate reimbursement of indoor/outdoor medical claims and Covid-19 vaccination of BSNL employees on priority.

Respected Sir,

We are constrained to draw your kind attention towards the current Covid-19 pandemic which has been faced by almost each and every employee of BSNL while performing their duties. Numbers of BSNL employees are getting infected day by day. The BSNL staff who are more exposed for outdoor work and visits to customer premises are getting more affected. The situation in almost every SSA is pathetic. Still BSNL employees are maintaining services with the best of their efforts under limited resources. As per government data, the peak of this situation is still to come.

Hence, it is high time for the application of a humanitarian approach towards each and every employee of BSNL, top to bottom, especially in respect of financial and medical assistance. Sir, we are putting forward the following points for your kind consideration and immediate action please:-

1. Relaxation to get Covid-19 treatment in any available hospital due to extreme shortage of beds in almost every hospital. There is no meaning of the condition of empanelled hospital in case of Covid-19 treatment.
2. At the same time kindly impress upon the BSNL CO for allotment of medical advances for the Covid infected BSNL employees for treatment as none of the empanelled hospitals are giving cashless treatment to BSNL employees because of their huge pending bills with BSNL. This is the situation where BSNL has to support its employees for their moral boost. Provision must be created in ERP to apply for medical advance to avoid the unnecessary delay in paper work.
3. The state government must be persuaded to consider the BSNL employees as frontline workers and allow them to get priority on vaccination starting from 01.05.2021. In this regard a camp may be organized in BSNL premises as was done previously.
4. You are requested to send the proposal to BSNL CO for introducing the special quarantine leave in ERP. Many departments have already provisioned this.

Your good self is requested to take early and appropriate action by considering the above suggestions. It is the need of the hour to extend all sorts of appropriate life protection measures to every employee of BSNL by the management.

Your kind support is highly appreciable.

Thanking You,

Sincerely Yours

(Susheel Kumar)
Circle Secretary
