

SANCHAR NIGAM EXECUTIVES' ASSOCIATION
Rajasthan Telecom Circle, Jaipur

No. SNEA/Rajasthan/Corr./2020-21/64

Dated 09.04.2021

To,

**Chief General Manager,
Rajasthan Telecom Circle
Jaipur**

Sub: Regarding urgent Covid-19 vaccination for all BSNL employees in Rajasthan circle.

This is to draw your urgent attention to the ongoing second wave of Covid-19 pandemic and its serious implication on the health and safety of BSNL employees.

As you will appreciate that from the day one of the pandemic last year BSNL employees have taken frontline role in maintaining the overall telecom infrastructure. Our field staff is amongst the frontline worker for maintaining the telecom services as well as customer services. The endeavor has also resulted in the upward trend in revenue collected last year. But even after several request, no insurance or any other welfare measure for the employees has been taken by the BSNL management till date.

The Covid-19 vaccination program has been undertaken by the GOI on pan India basis. Recently GOI has issued guidelines as Covid-19 vaccination sessions may be organized at work places which are having about 100 eligible and willing beneficiaries by tagging these workplaces with an existing Covid Vaccination Centre. As the frontline warrior in this war against the pandemic, BSNL employees must also get the due vaccination for their health and protection.

Hence it is requested to you and your good office to take up necessary liaison with Rajasthan Govt Health Department and arrange for the vaccine for all the employees of BSNL Rajasthan circle urgently in view of the second wave of the pandemic and set up a vaccination centre in BSNL office for BSNL employees.

Thanking you in anticipation.

Sincerely Yours

(Susheel Kumar)
Circle Secretary
